To the Speaker and Members of the Legislative Assembly of New South Wales.

This Petition of residents and visitors to the Myall Lakes Electorate, calls on the New South Wales Government to provide the necessary funding to upgrade the Failford Road and The Lakes Way intersection into a roundabout. This key entry point experiences accidents and frequent near misses' due to drivers navigating oncoming traffic travelling at 80 km/hr.

The undersigned petitioners therefore ask the Legislative Assembly to call on the Government to commit funding for the construction of a roundabout at the Failford Road and The Lakes Way intersection.
